

HOW TO APPLY FOR THE PRCO Tax Credit

The Mississippi Pregnancy Resource Act created an incredible tax incentive for individuals and businesses to invest in the life-saving work of pregnancy resource centers. *Your tax credit donation must be made within the same tax year. For example, to use a tax credit against your 2026 taxes, apply in October 2026 or earlier. Your donation must then be made before the close of the year. ****The earlier the better.***
